

TRI-VALLEY TRANSIT (TVT) REPORT TO THETFORD October 2024

Thank you for supporting TVT's vital public transportation programs in Thetford!

TVT's Dial-a-Ride and Shuttle Bus Systems **provided a total of 203,645 rides last year – a 13% increase over 2023!** TVT's transportation programs enable community members to maintain their independence, gain and keep employment and access critical healthcare and quality-of-life services.

Your ongoing support helped us provide a four year annual average of 339 free Dial-a-Ride trips for Thetford residents either by volunteer drivers or on wheelchair accessible vehicles, and an additional 310 riders boarded bus stops in Thetford.

Dial-a-Ride Programs meet specific needs of specialized populations including older adults, persons with disabilities and low-income families/individuals who can't access transportation on their own. These programs offer direct access from home to: medical treatments, nutrition programs, adult day services, pharmacies, food shopping, social services, vocational rehabilitation, and critical medical needs like radiation, dialysis, and substance abuse treatment.

Public Bus Routes are open to everyone and have been operating without fares since 2020. These commuter and local routes promote economic development, energy conservation, mobility independence and quality of life. In Thetford, residents can access:

- River Route Commuter Routes running from Wells River to the Hanover/Lebanon/WRJ area

State and Federal grants contribute 80% of our operating funds and require the remaining 20% to come from local sources. TVT strives to raise 5% of these local funds through municipal contributions based on each municipality's population and access to service using our "fair share" formula. Your continued support of these important programs is greatly appreciated and if you have any questions, would like to learn more about our services, or are interested in becoming a volunteer driver, please visit www.trivalleytransit.org or contact us by email at info@trivalleytransit.org or by phone at 802-728-3773.
