Please include this paragraph in the Thetford Town Report:

The Orange County Parent Child Center is one of 15 Parent Child Centers in Vermont.

The MISSION of Orange County Parent Child Center is to help families and children thrive and build a sense of belonging within their communities by connecting them to education, support, advocacy, and wellness opportunities. Since 1989, families and providers have come to know us and access us as their primary community resource for any topic or need related to children and families.

OCPCC's programs include Children's Integrated Services Family Support which provides, among other efforts: home visits, identification of any nursing needs, mental health referrals, and referral for other family assistance. We also provide Welcome Baby visits, free community playgroups, Early Care & Education for children 6 weeks to 5 years, parent education, fresh fruit and vegetables offered at our food shelf, concrete supports and resource & referral services. We are a public pre-K partner under Act 166. Starting later in 2024 or early in 2025 we will be adding a Child Advocacy Center (CAC) and Special Investigation Unit (SIU) to serve child victims of abuse. You can learn more at www.orangecountypcc.org.

In the first 10 months of 2024, with the continued support of your community, we were able to provide 30 services to residents of Thetford, 23 of which served children under the age of 6.
